ADMISSION APPLICATION CHECKLIST
KINDERGARTEN: 2020-21
DEADLINE: DECEMBER 16, 2019

Step 1: Submit Application for Admission Required
The application fee is $125 and fee waivers are available. There are three ways to apply:
1. Via Viewpoint's online application, accessed from the red "Apply Online" link at our website.
2. Via the common instrument called the Standard Application Online (SAO) at our website.
3. Via a paper application. Downloadable forms are at our website.

Step 2: Schedule Family Meeting. Required
The Office of Admission will contact you after receipt of your application to schedule your Family Meeting. We ask that both parents and the child visit with us in the Office of Admission for their Family Meeting.

Step 3: Kindergarten Screening Required
All applicants to Kindergarten get to spend a little bit of time with us in a special screening that helps us get a sense of their developmental maturity and readiness for our full-day Kindergarten program.

Kindergarten developmental readiness screenings typically take place on a Saturday in January or early February for one and a half hours. Families will be assigned to a screening date that will take place after we've had the chance to meet with an applicant family through the Family Meeting.

Step 4: Submit School Evaluation Forms Required
Parents should complete the top portion of the Preschool Director’s Evaluation, the Preschool Teacher’s Evaluation and the Consent for Release of Student Information form and give them to the child’s current school after December 1, 2019. If your child attends more than one preschool, please arrange to have evaluations completed by each school. The educators completing these forms should return them directly to Viewpoint School no later than January 17, 2020.

These forms can be scanned and emailed to admission@viewpoint.org or mailed to:
Viewpoint School
ATTN: Office of Admission
23620 Mulholland Highway
Calabasas, CA 91302

Parents applying for financial aid can find the SSS application and more information about our process on the Financial Aid webpage on our website.
